

THE PREMIUM HIMALAYAN SALT SUPPLIER

Mashal Salt Traders

1-km Main Warcha Sakesar Road Quaidabad
District Khushab, Punjab, Pakistan

History

We would like to introduce Mashal Traders, Established in 1998, as Manufacturer of Himalayan Salt Products. We are ISO 9001:2015, ISO 22000:2005 and Punjab Food Authority Certified Company, with mission to Deliver Exceptional Quality Products at an Economical Price Structure. The company is managing a workforce of over 100 Plus workers comprised in three production facilities, including the mining area and gathers the highest quality raw material to ensure set standards of international community, timely deliveries while maintaining a constant supply for our valued customers.

Company Profile

Mashal Traders is one of the largest & senior company manufacturing, supplying and exporting Himalayan mineral rock salt products in Pakistan. Mashal Traders is exporting this god gifted Himalayan mineral rock salt products to United States, Central & South America, United Kingdom, European Countries & Far East etc. Himalayan Salt is 100% Pure, Unscented, Untreated and a gift of Nature to human beings. This Himalayan Salt is a marvelous dietary supplement that looks and tastes fantastic. It is rich in trace minerals and it's mined from underground seams of salt deposits in the unpolluted foothills of the Himalayan Mountains.

Our Mission

MISSION

Our Misssion is to create lasting relationships with our customer by providing excellent quality products and expand our reach by providing authentic and best approach in business.

VISION

Our vision is to expand health benefits that come from the use of natural salt, which is why Mashal Salt Traders has long standing vision of making Pink Rock Salt with all of its impeccable benefits accessible to people internationally and nationwide.

Himalayan Edible Salt

HIMALAYAN SALT is 100% Pure, Unscented, Untreated and a gift of Nature to human beings. This Himalayan Salt is a marvelous dietary supplement that looks and tastes fantastic.

It is rich in trace minerals and it's mined from underground seams of salt deposits in the unpolluted foothills of the Himalayan Mountains. It has been highly regarded for health reasons for a very long time and is also now appreciated by discerning cooks.

Pink Himalayan salt is often said to be the most beneficial as well as the cleanest salt available on this planet today.

It has all kinds of nutritional and therapeutic properties & culinary uses.

You can use it as a healthier option to processed salt. You can also use it to create homemade body scrubs and bath soaks, and you may have seen or own a Himalayan salt lamp made from pink Himalayan salt.

Himalayan Salt has many health benefits for human body such as;

- Improves Respiratory Problems
- Balances Body's pH
- Natural Digestive Aid
- Air Purifier
- Better Sleep Inducer
- Regulation of the water levels within the body for proper overall functioning
- Helping reduce common signs of aging
- Encouraging healthy blood sugar levels
- Promoting cellular energy creation
- Reducing cramping (like leg cramps)
- Improving the absorption of nutrients from foods
- Aiding vascular health
- Lowering the incidence of sinus problems and promoting overall sinus health
- Providing circulatory support
- Improving bone strength
- Fostering a healthy libido
- Promoting kidney and gallbladder health in comparison to chemically treated table salt

Himalayan Electric Oil Diffuser

These stunning oil diffusers combine all the benefits of a Himalayan Salt Lamp with that of an aromatherapy oil diffuser by adding a metal dish to the top of the lamp, which is warmed by the lamp's globe. You can either use the lamp on its own, or add a little water and oil to the dish as you would with a normal candle-powered oil burner to get the benefits of aromatherapy

Himalayan Animal Licking Salt

Offering Best Himalayan Mineral Salt for your Animals

A 550 million old Himalayan Rock Salt for Animals, Mined from ancient Himalayan Mountains of Pakistan, And These Salt Licks must be the purest form of salt available. The distinctive pink color comes from the salts mineral content Such as Iron, potassium and magnesium, which are vital for maintaining health of Cows/sheep/goats horses, all have a very well defined appetite for sodium chloride (SALT) only surpassed by the need for water. Because the majorities of plants do not provide sufficient sodium for the livestock/horses needs and may lack adequate chloride, salt supplementation is a vital part of any animal's nutritional requirement

Rock Salt for Commercial And Industrial Uses

RSC : 01

Oil Refinery grade salt ,Rock Salt for Meraux units for sweetening of Jet fuel
Over the past decade the use of expandable concentric under reamers or "whole openers" in Deep water drilling has become widespread. An estimated 75% of the salt/sub Salt sections in the Go now use under reamers. There are various reasons to Enlarge a hole, including enhancing equivalent circulating density, to reduce Cementing pressures, and to counter salt creep so casing will reach bottom.

Under reamers are especially important in deep water wells that require Numerous casing strings

RSC : 02

Deicing salt / Road salt 2 – 10 mm High purity salt
When applied to snow or ice, salt lowers the melting point of the Mixture. Thus, large amounts are used in Northern climates to rid streets of Accumulated snow and ice

RSC : 03

Salt for water softening Water softener salt
pure salt and a typical of 99.8% sodium chloride, virtually 100% water soluble , helps eliminate brine tank clean out necessitated by Insoluble material

RSC : 04

Salt for Brine Solutions
greatest single use for salt is as a feedstock for the Production of chemicals, the color-alkali industry uses salt primarily as salt in Brine from captive brine wells to produce chlorine and caustic soda
